Certificate of Compliance

This is to certify that **Navyug Kanya Mahavidyalaya, Lucknow** a constituent college of **University of Lucknow** fulfils all norms:

1. Stipulated by the affiliating University and
2. Regulatory Council/Body namely UGC*, NCTE** and
3. The affiliation and recognition is valid as on date.

*Covered under **Section 2(f) & 12(B) of UGC Act. 1956** under the head non government colleges (already annexed).

** **B.Ed. is regulated by NCTE.** This is pertinent to state that Navyug Kanya Mahavidyalaya Lucknow is a Government Aided college and is running B.Ed. course since 1969 with successful completion of 47 batches. Prior to 2015 when B.ED course was of one year span we had a single unit of 80 students (one unit of 100 capacity permitted as per NCTE earlier provisions) but in the year 2015 when it was amended to a two year course by NCTE, and since then we are maintaining the same single unit with the intake capacity of 50 students as per revised provisions of NCTE under the Regulations 2014, so the recognition granted earlier vide order no.राअशिप/उक्षेस/फ-3/यूपी-94/बी0एड0/2000/19268 dated 02.01.2001 by NCTE stands valid for two years of B. Ed. as well. Hence we do not fall under the Public Notice dated 02.06.2016 regarding compliance of filing online fresh affidavit in accordance to **NCTE Regulations 2014 which is specifically meant for those TEI's that are running the B. Ed courses for two or more units** because they have to add infrastructure, faculty, endowment & reserve funds etc. and have to undergo fresh monitoring and screening.

The college has informed its intake capacity of one unit comprising of 50 students to the NCTE as well as University of Lucknow, consequently upon which University allotted 50 students to the college through UPB.Ed. joint entrance merit for the session 2016-17. (list annexed earlier in LOI)

We also agree that the undertaking given to NAAC will be displayed on the college website.

Date: 17.4.2017

Place: Lucknow.
