ABOUT COLLEGE

Navyug Kanya Mahavidyalaya was founded on July 4, 1943 under the patronage of Navyug Seva Sangh, led by Late Sri Deen Dayal Ji, as a primary school. The land for establishing Navyug Kanya Mahavidyalaya was donated by Maharaja Pateshwar Prasad Singh of Balrampur Estate. Since establishment, the journey of Navyug Kanya Mahavidyalaya is a shining example of the continuous and dedicated efforts towards girls' education. With the establishment of degree section in 1963, the college is currently considered one of the best colleges of Lucknow, imparting education in various subjects up to post graduate level. This college caters to the academic need of more than 50% of girl students, who belong to socially & economically disadvantaged/ minority class and is a boon for them. The College is actively engaged in academic and co-curricular activities and has organized various International and National Seminars in the past. Recently an International Seminar on "Global Environment and Human Existence: Changes and Challenges" during September 7-8, 2019 brought laurels to the Institution.

ABOUT WEBINAR

COVID-19 had emerged at the end of 2019 and started threatening worldwide millions of people after few weeks. Highly contagious nature of this disease caused it to declare Public Health Emergency and a Pandemic by World Health Organization (WHO) by 11 March, 2020. To break the chain of Corona Virus, various measures are taken worldwide. The life stands still in all over the world and people across the world are locked up in their houses and the routine life is disturbed. Therefore, in the present scenario many physiological and psychological problems are arising, which is a serious matter of concern and needs special attention for proper redressal of these problems. To discuss the effect of this disease on common people and the solution for dealing with physiological and psychological problems, we are organizing a one day National Webinar on "*Pandemic COVID-19: Psychological Issues and Solutions*" on Tuesday 26 May, 2020.
